

# ESD REEL SEALER

Splicetronics Solutions

Part	Dimensions	Package	Surface Resistance	Static Voltage
RS208	50mm x 7mm	3000pcs/roll	$10^5-10^{\Omega}$	<100V

## APPLICATION

- Ⓢ To seal and prevent unravelling of SMT carrier tape reels when not in use
- Ⓢ Ideal for storage
- Ⓢ For use on reels of all sizes

## ADVANTAGES

- Ⓢ ESD safe
- Ⓢ Two non-adhesive ends
- Ⓢ Clearly marked and easy to peel
- Ⓢ Strong durable material

## INSTRUCTIONS

- Ⓢ Hold the yellow non-adhesive side and stick half of the label on the carrier tape end.
- Ⓢ Align and stick the other half on the carrier tape reel.
- Ⓢ Peel off the green non-adhesive side to reopen the reel.
