

# ST410 ATTACHMENT

Splicetronics Solutions

Part	Dimensions	Material Frame	Weight
STA410	11cm x 4cm x 16cm	Stainless Steel	0.9kg

## APPLICATION

- Ⓢ Accessory for the ST410 stapler style splice tool to affix to a splice cart or workstation
- Ⓢ Optimize splicing operations by ensuring SMT carrier tapes can be joined quickly and securely

## ADVANTAGES

- Ⓢ Avoid dropping the tool
- Ⓢ Rotate in all directions
- Ⓢ Scrap box for splice clip waste
- Ⓢ Strong durable material
- Ⓢ Easily installed

## INSTRUCTIONS

- Ⓢ Use the hex bolt provided to secure the attachment to a splice cart or workstation.
- Ⓢ Place the ST410 splice tool on the attachment base and slide into position.
- Ⓢ Close the safety latch.
- Ⓢ Attach the scrap box to the underside.
